PS 261 PTA. After School Program

Activity Description

1. **Artistic Texture:** Lets explorer with different materials artists use to create artwork. We will talk about how the materials look and feel. We will use all the materials ourselves to create amazing artwork of all different textures.
2. **Arts & Craft:** The students will participate in a number of activities; finger painting, picture framing, play dough, etc.
3. **Baker's Delight:** Each week a delectably baked treats will be geared to the inner baker in each of us. Cookies, tarts, cupcakes, pies, breads and muffins are on the menu! Students will learn to read recipes, measure, pour, sift and discover the science, math and literacy in baking.
4. **Baking & Visual Arts:** This is a fun new class where students will bake scrumptious treats then draw & color what they see and smell before they enjoy them.
5. **Ballet Builders:** Let's explore what makes a ballet dancer! Play with graceful ballet positions and moves. Learn how to direct your body through space while using the timing of music. Ballet slippers are recommended but not necessary, but please dress in clothing you can move in.
6. **Basic Spanish:** Ola como esta? Students will be singing, acting and playing games, all the while learning vocabulary & basic grammar skills. The objective of this class is to allow children to react and communicate in Spanish. This class is for both beginners and advanced students.
7. **Basketball/Sports:** Everybody plays!! All participants in this class will learn the rules of the game and participate in daily activities, skill stations, drills and games.
8. **Beads & Things:** Don't be left-out of this very popular activity, were students make edible jewelry. This has been one of after-school's most popular activities. We sing and play while we create fantastic key chains, Necklaces, pasta picture and other amazing projects. Beads & Things were something new happen all the time.
9. **Blogging:** text, text and more text. You tired of using a pen or pencil all day? Join your school mates and discuss current events under the guidance of Ms. Sara B.
10. **Board games:** Chess, checkers, connect four, memory, operation and many other games. Students will play games provided or they can bring a board game of choice from home.
11. **Building Blocks:** Come build huge buildings with Kevin in room 124. Every child will be able to build whatever they can create from their imagination using various shapes and sizes while working both individually and in collaborative groups. There will be multiple centers of blocks and our popular geo-blocks.
12. **Ceramics:** Hey kids come make pottery, plates, tiles or anything from your imagination using traditional clay. Let's get dirty!!
13. **Chess Club:** This course is designed to teach the fundamentals of chess in a fun manner. Creative thinking will occur and be encouraged. The advance players will have opportunities to compete in our own P.S 261 chess club challenge.
14. **Creative Cooking:** Fun, healthy ways for kids to make recipes that are kid-friendly and safe! Every child will add their favorite personal recipe to the class cookbook.
15. Creative Explores:
16. **Comic Book:** This class will give its participants opportunities to produce a comic book made up of short stories created by the students. This will be an amazing fun experience for the kids and an opportunity to explore their creative outlets.
17. **Cooking:** Student's will learn basic cooking skills and kitchen safety. Each week, we will prepare step-by-step recipes that are healthy, fun, tasty and students will be able to prepare them at home.
18. **Collage & Things:** Come relax while being creative with Ms. Colleen. Students will be engaged creating fun and exiting collages, fun art work, jewelry and Etc. All are welcome.

19. **Community Building:** Looking around our community and finding ways to help. Each week the students will brainstorm ways that we can support our community and school. The students will be involved in fundraising, creating signs, and poster. Plus this is great for middle school.
20. **Creative Explorers:** This Activity is open to Pre-kindergartens and all Kindergartens students. Students will participate in a wide range of activities. (Cooking, science, art projects, movement and more)
21. **Creative Writing:** Calling all young Authors to come explore different techniques to amaze your family in friends with your stories. Are you interested in zombies, mermaids, fantasy animals? If so, come and be a part of this amazing new activity. It's all about fun and imaginative writing!
22. **Dance Party:** Come have fun and dance your hearts out with today's latest music. Students will move, stretch and have an awesome time.
23. **Designing with Dana:** A new project each week to take home. Every child will have opportunities to create and design, picture frames, books, masks, memory boxes and even puppets.
24. **Drama:** Come participate in an exciting-fun filled Drama class with singing, dancing and Oscar winning performances.
25. **Drumming:** Calling all musicians, we need a few good drummers or aspiring drummers!! Students will be introduced to the art of playing Western African Drums. Every Child will have a drum to play.
26. **Football:** You ate your turkey and opened your gifts! Now its time for some football. Parents this will be an out-door activity. If we have inclement weather the kids will in the cafeteria playing board games.
27. **Free Drawing:** This activity encouraged students to use their imagination and transfer it to paper. There is also experimentation with different types of mediums, such as markers, stenciling and silk screening.
28. **French:** Students will learn the basics of French Language, grammar, and French cuisine components.
29. **Fun w/ Lego's:** Play until your heart is content while letting your imagination run wild.
30. **Fun Time:** Open Session with a twist, where kids will have the option to participate in craft projects that will change weekly and of course choice time.
31. **Girls Basketball/Sports:** Girls this is your opportunity to shoot dribble and pass without the boys interfering. You can learn the fundamentals of the game or play any sport
32. **Girl's Club:** Talk time with Ms. Erica. This is an activity for girls who are interested in painting, talking, writing diaries, counseling, Painting nails, eating yummy smores and creating art projects!
33. **Going Green:** Our first ever going green project at P.S 261. Students/parents come learn and share your thoughts about our impact on the environment. This will be a hands-on group. Projects will be made using recycled material and letters will be writing to various organization to remind them of there responsibilities to our environment. Types of projects: bowling pins, sundial, bubble makers, instruments and all natural soap/shampoo. One person can make a difference.
34. **Greek Myth study:** A Very groovy study. Students will read the myths/Dramatic play about the myths. If you enjoyed Drama with Nan, I'm sure you will love this one.
35. **Hershey Baking:** Calling all chocolate lovers!! How many recipes do you know uses chocolate?? Mmmm. Moms and Dads, don't worry, we will monitor the sugar intake.
36. **Homework Help:** Develop good study habits and strategies for successful homework completion, including help with test preparation and test taking skills. Students will receive attention with their individual class work needs.
37. **Improvisation:** Use your imagination while you act out stories. Pretend you are in a toy store, deep sea diving or riding your motorcycle and just use your body to express how you feel.
38. **Italian Cooking:** Students will learn basic cooking skills and kitchen safety. Each week we will prepare step-by-step recipes that are healthy, fun, tasty and that students will be able to prepare at home.
